To: The Board of Visitors of Virginia Commonwealth University
From: Procurement Services and University Libraries
Subject: Approval for Contract with Elsevier B.V. Exceeding \$5 Million
Date: February 17, 2022

Recommendation

We recommend that the Board approve the contract with Elsevier B.V. and authorize the Senior Vice President and Chief Financial Officer to execute the contract on behalf of Virginia Commonwealth University (“VCU”).

Background

The Office of the President issued the Delegation of Signatory Authority policy on May 10, 2019. Pursuant to the Delegation of Signatory Authority policy, contracts with a total actual or anticipated expenditure value exceeding \$5 million require prior approval by the Board. VCU wishes to enter into a contract with Elsevier B.V. to purchase subscriptions to electronic journal collections and electronic books. The total actual or anticipated expenditure value of the contract with Elsevier B.V. will exceed \$5 million.

Discussion

By executing the contract with Elsevier B.V., VCU’s students, staff, and researchers will receive instant access to all Elsevier B.V. electronic journal collections and specified electronic books. These peer-reviewed scholarly journals and books are essential to the successful pursuit and completion of undergraduate, graduate, and professional degrees. These peer-reviewed scholarly journals and books are also essential to the creation and support of grant applications, as well as the successful completion of research studies, which span the areas of medicine, health professions, psychology, biomedical sciences, engineering, social sciences, and humanities.

The term of the contract with Elsevier B.V. will be three years, and the total cost will be \$6,107,874.75. This scholarly subscription is standard for institutional research libraries across the world, and Elsevier B.V. is the exclusive holder and distributor of such subscriptions. If the contract is approved by the Board, VCU anticipates continuing the subscription with Elsevier B.V., through contract renewal, at the end of the contract’s term.

University Impact

Executing the contract with Elsevier B.V. will support VCU’s [Strategic Research Priorities Plan](#) and further the [Quest 2025](#) goal to achieve preeminence as a 21st century public, urban research university.

1.2 *Authorized Users/Sites.*

Authorized Users are the full-time and part-time students, faculty, staff and researchers of the Subscriber and individuals who are independent contractors or are employed by independent contractors of the Subscriber affiliated with the Subscriber’s locations listed on Schedule 2 (the “Sites”) and individuals using computer terminals within the library facilities at the Sites permitted by the Subscriber to access the Subscribed Products for purposes of personal research, education or other non-corporate use (“Walk-in Users”).

1.3 *Authorized Uses.*

Each Authorized User may:

- | |

| <ul style="list-style-type: none">• incorporate links to the Subscribed Products on the Subscriber’s intranet and internet websites and in electronic coursepacks, reserves and course management systems and instructor websites, provided that the appearance of such links and/or statements accompanying such links will be changed as reasonably requested by Elsevier; |

| <ul style="list-style-type: none"> if the Authorized User is a librarian/information specialist, access, search, browse, view, print, make electronic copies and store a Transaction for the exclusive use of another Authorized User. |

The Subscriber may:

- access the text and data mining service online via an API at <http://dev.elsevier.com> to continuously and automatically extract and index and/or process information from the ScienceDirect Subscribed Products to which the Subscriber separately subscribes and load and integrate the results (the “TDM Output”) on the Subscriber’s text-mining system for access and use by Authorized Users; and
- distribute the TDM Output externally, which may include a few lines of query-dependent text of individual full text articles or book chapters (“Snippets”) or bibliographic metadata. Where Snippets and/or bibliographic metadata are distributed, they should be accompanied by a DOI link that points back to the individual full text article or book chapter. Where images are used the Subscriber should clear the rights for reuse with the relevant copyright owner and/or rights holder.
- Further the TDM Output should include a notice in the following form: *“For material subject to copyright, some rights reserved. Rightsholder permits non-commercial use, distribution, and reproduction of such protected material in any medium, provided the original author and source are credited.”*

The text and data mining service online may be accessed, processed, or hosted by, vendors or other third parties retained by the Subscriber only with the express written permission of Elsevier and solely for the index and/or process information purposes of the Subscriber. Any such vendor or approved third party will not ingest the data for any other reasons and will keep such extracted data, the Snippets and the TDM Output separate and segregated from any other data and will have no right or ability to use the extracted data, the Snippets and the TDM Output in any other product or service offering.

Furthermore, vendors or other approved third parties will agree in writing to agree and comply with the terms and conditions of this Agreement and will provide Elsevier a copy of such written statement. The Subscriber will not appoint vendors or other third parties which are located outside the European Union, Canada, or the United States of America.

The Subscriber will exercise the same degree of care and apply the same level of security control with respect to the use of the text and data mining service online and the activities under this Agreement as with the Subscriber’s own products and services. Unless otherwise noted in Section 3.2, the Subscriber will be primarily liable for the compliance of all Authorized Users and the engaged third-party vendor with this Agreement.

As additional restrictions in this usage grant, the Subscriber and its Authorized Users may not:

- use any robots, spiders, or other automated downloading programs, algorithms, or devices to search, screen-scrape, extract, or index any Elsevier web site or web application, other than the text and data mining service online via an API;
- create derivative products or services and/or utilize the TDM Output in a way that would compete with the value of the final peer review journal article or the Subscribed Products, or have the potential to compete with, to substitute and/or replicate any other existing Elsevier

1.5 *Intellectual Property Ownership.*

The Subscriber acknowledges that all right, title and interest in and to the Subscribed Products remain with Elsevier and its suppliers, except as expressly set forth in this Agreement, and that the unauthorized redistribution or dissemination online of the Subscribed Products could materially and irreparably harm Elsevier and its suppliers.

Notwithstanding anything to the contrary contained in this Agreement, more extensive usage terms might be permitted for open access content in the Subscribed Products as identified in the individual journal article as stated in the applicable user (e.g., CC) license.

SECTION 2. ELSEVIER PERFORMANCE OBLIGATIONS.

2.1 *Access to Subscribed Products.*

Elsevier will make the Subscribed Products accessible to the Subscriber and its Authorized Users from the internet address set forth on Schedule 1 or as may be otherwise set forth herein, upon receipt by Elsevier of this Agreement document in the territory of the Netherlands, as duly signed by the Subscriber, which acceptance will be evidenced and timestamped by an authorized representative of Elsevier in the Netherlands.

2.2 *Quality of Service.*

Elsevier will use reasonable efforts to provide the Subscribed Products with a quality of service consistent with industry standards, specifically, to provide continuous service with an average of 98% up-time per year, with the 2% down-time including scheduled maintenance and repairs performed at a time to minimize inconvenience to the Subscriber and its Authorized Users, and to restore service as soon as possible in the event of an interruption or suspension of service.

2.3 *Withdrawal of Content.*

Elsevier reserves the right to withdraw from the Subscribed Products content that it no longer retains the right to provide or that it has reasonable grounds to believe is unlawful, harmful, false, or infringing. If the withdrawal represents more than ten (10%) percent of the number of titles comprising the Subscribed Products, Elsevier will refund to the Subscriber the amount of the Fees that is proportional to the amount of content withdrawn and the remaining unexpired portion of the period for which the Fees were paid.

2.4 *Usage Data Reports.*

Elsevier will make usage data reports on the Subscriber's usage activity available as described at https://www.elsevier.com/sd_usage_reports. Such reports may be accessed by vendors or other third parties retained by the Subscriber only with the express written permission of Elsevier and for the purpose of usage analysis of the Subscriber.

Access to the Subscribed Products will be authenticated by the use of Internet Protocol ("IP") address(es) and/or usernames and passwords and/or a delegated authentication mechanism requiring at least two different credentials, as identified on Schedule 2. Access to the Subscribed Products by Authorized Users who are Walk-in Users is permitted provided that access is limited to fixed terminals/workstations at the Sites only. Remote access to the Subscribed Products by Walk-in Users is not permitted. 3.2 *Protection from Unauthorized Access and Use.*

The Subscriber will:

- | |
|--|
| <ul style="list-style-type: none">• take appropriate measures to protect against the misuse or unauthorized access, whether by the Subscriber or any third party, through or to (a) the Subscriber's credentials used to access the Subscribed Products; and (b) the Subscribed Products and/or information derived therefrom; |

| <ul style="list-style-type: none"> • without undue delay, deactivate any credentials when no longer needed or where access presents a security risk; |

In the event of any unauthorized use of the Subscribed Products, Elsevier may suspend the access and/or require that the Subscriber suspend the access from where the unauthorized use occurred upon notice to the Subscriber. The Subscriber will not be liable for unauthorized use of the Subscribed Products by any Authorized Users provided that the unauthorized use did not result from the Subscriber's own negligence or willful misconduct and that the Subscriber did not permit such unauthorized use to continue after having actual notice thereof. The Subscriber will be responsible for the adherence to the terms and conditions of this Agreement by a third-party provider the Subscriber engages, in particular, if such third-party provider supplies and manages IP addresses.

3.3 *Security Requirements.*

The Subscriber agrees that the Subscriber will have in place documented policies and procedures, which may be reviewed, covering the administrative, physical, and technical safeguards in place and relevant to the access, use, loss, alteration, disclosure, storage, destruction, and control of information. The Subscriber will promptly notify Elsevier if it determines that there has been a breach of such safeguards if such breach results in a compromise of any information provided hereunder and cooperate with Elsevier's reasonable requests surrounding such breach including taking appropriate steps to end such activity and to prevent any recurrence.

SECTION 4. FEES AND PAYMENT TERMS.

The Subscriber will pay to Elsevier the fees set forth in Schedule 1 (the “Fees”) within net thirty (30) days of receipt of an invoice for the Fees due for first year of the Term and, thereafter, within net thirty (30) days following receipt of an invoice for the Fees due for the following years of the Term. In addition to other remedies provided in this Agreement, Elsevier reserves the right to suspend access to the Subscribed Products upon thirty (30) days’ prior written notice and without incurring liability if the full amount of any Elsevier invoice hereunder has not been paid within the agreed payment deadline. The suspension of the Subscriber’s access for non-payment is without prejudice to the Subscriber’s obligation to pay its outstanding and future invoice amounts in full. Elsevier and the Subscriber acknowledge that the Fees payable under this Agreement are not in the nature of royalties and consequently no withholding tax should be applied to the Fees. The Fees will be exclusive of any sales, use, value added, withholding or similar tax and the Subscriber will be liable for any such taxes in addition to the Fees, unless Subscriber provides a valid tax exemption certificate to Elsevier.

SECTION 5. DURATION.

5.1 Term.

The term of this Agreement will commence on 1 January 2022 and continue through and including 31 December 2024 (“Initial Term”).

5.2 Renewal.

After the Initial Term, this Agreement may be renewed upon mutual agreement of the parties in writing for additional one-year term(s) (a “Renewal Term”), subject to payment of the Fees for the applicable year(s) as set forth in Schedule 1. The parties will communicate their intention to renew or to not renew in writing no later than ninety (90) days prior to the end of the then current Term. The Initial Term and each Renewal Term are collectively the “Term.”

5.3 Early Termination Due to Insufficient Budgetary Allotment from Government.

The Subscriber may terminate this Agreement upon thirty (30) days’ notice given by the Subscriber to Elsevier if sufficient funds are not provided, allocated or allotted in future government-approved budgets of the Subscriber or reasonably available or expected to become available from other sources at the time the Subscriber’s payment obligation attaches to permit the Subscriber, in the exercise of its reasonable administrative discretion, to continue this Agreement. Notwithstanding the foregoing, if access to the Subscribed Products was provided but not yet paid for prior to termination, Elsevier will be entitled to receive a pro rata portion of the Fees attributable to the period of time that access was provided.

SECTION 6. ELSEVIER WARRANTIES AND INDEMNITIES.

6.1 Warranties.

Elsevier warrants that use of the Subscribed Products in accordance with the terms and conditions herein will not infringe the intellectual property rights of any third party.

6.2 Indemnities.

Elsevier will indemnify, defend, and hold harmless the Subscriber and its Authorized Users from and against any loss, damage, costs, liability, and expenses (including reasonable attorneys’ fees) arising from or out of any third-party action or claim that use of the Subscribed Products in accordance with the terms and conditions herein infringes the intellectual property rights of such third party. If any such action or claim is made, the Subscriber will promptly notify and reasonably cooperate with Elsevier. This indemnity obligation will survive the termination of this Agreement.

6.3 Disclaimer.

EXCEPT FOR THE EXPRESS WARRANTIES AND INDEMNITIES STATED HEREIN AND TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE SUBSCRIBED PRODUCTS ARE PROVIDED “AS IS” AND ELSEVIER AND ITS SUPPLIERS EXPRESSLY DISCLAIM ALL

WARRANTIES AND REPRESENTATIONS OF ANY KIND WITH REGARD TO THE SUBSCRIBED PRODUCTS AND ANY OTHER DATA, DOCUMENTATION OR MATERIALS PROVIDED IN CONNECTION WITH THIS AGREEMENT, INCLUDING BUT NOT LIMITED TO ANY ERRORS, INACCURACIES, OMISSIONS, OR DEFECTS CONTAINED THEREIN, AND ANY IMPLIED OR EXPRESS WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

6.4 *Limitation of Liability.*

Except for the express warranties and indemnities stated herein and to the extent permitted by applicable law, in no event will Elsevier or its suppliers be liable for any indirect, incidental, special, consequential or punitive damages including, but not limited to, loss of data, business interruption or loss of profits, arising out of or in connection with this Agreement, nor will the liability of Elsevier and its suppliers to the Subscriber exceed a sum equal to the Fees paid by the Subscriber hereunder during the twelve (12) month period immediately preceding the date on which the claim arose, even if Elsevier or any supplier has been advised of the possibility of such liability or damages.

Notwithstanding anything to the contrary in this Agreement, to the extent permitted by the Virginia Tort Claims Act, § 8.01-195.1, et. seq. of the Code of Virginia, as amended, and other applicable statutes relating to claims against the Commonwealth of Virginia or its agencies, Subscriber shall be liable only for the negligent acts or omissions of its officers, employees, and agents. Nothing contained in this Agreement shall constitute a waiver of the sovereign immunity of Subscriber or the Commonwealth of Virginia. The total cumulative liability of the Commonwealth of Virginia, its officers, employees and agents in connection with this Agreement or in connection with any goods, services, actions, or omissions relating to this Agreement, shall not under any circumstance exceed any applicable statutory limits on liability of the Commonwealth of Virginia.

SECTION 7. ACCESSIBILITY COMPLIANCE

As of the effective date of this Agreement, the Subscribed Products conform to the completed Voluntary Product Accessibility Template (“VPAT”), provided to the Subscriber by Elsevier, which details features of the product that support compliance with the US federal Section 508 standards for accessibility. In the event that the Subscribed Products or any of its contents are not accessible to an Authorized User with disabilities, the Subscriber may request that Elsevier promptly make needed accessibility modifications. Should Elsevier decline to make such modifications, the Subscriber shall have the right to modify or copy the contents of the Subscribed Products in order to make them compliant, accessible, and useable by Authorized Users with disabilities.

SECTION 8. GENERAL.

8.1 *Force Majeure.*

Neither party’s delay or failure to perform any provision of this Agreement (other than payment obligations) as a result of circumstances beyond its control (including, but not limited to, war, strikes, fires, floods, power failures, telecommunications or Internet failures or damage to or destruction of any network facilities or servers) that prevents it from fulfilling its obligations under this Agreement (any such circumstances being “Force Majeure”) will be deemed a breach of this Agreement. Notwithstanding the foregoing, a party’s financial inability to perform its obligations will in no event constitute a Force Majeure. For clarity, to the extent that an event of Force Majeure limits Subscriber’s access to necessary payment data and systems, Subscriber may delay payment for a reasonable time.

8.2 *Severability.*

The invalidity or unenforceability of any provision of this Agreement will not affect any other provisions of this Agreement.

8.3 *Entire Agreement.*

This Agreement contains the entire understanding and agreement of the parties and replaces and supersedes any and all prior and contemporaneous agreements, communications, proposals, and purchase orders, written or oral, between the parties with respect to the subject matter contained herein. In the event

Elsevier enters into terms of use agreements or understandings, whether electronic, click-through, verbal or in writing, with Subscriber employees, Authorized Users, or other Subscriber end users, such agreements shall be null, void, and without effect.

8.4 *Modification.*

No modification, amendment, or waiver of any provision of this Agreement will be valid unless in writing and signed by the parties, except for changes reflecting substituted titles, IP addresses, authentication mechanisms, invoicing and contact address details which may be confirmed by Elsevier in an email notice sent to the Subscriber.

8.5 *Assignment.*

The Subscriber will not assign, transfer, or license any of its rights or obligations under this Agreement unless it obtains the prior written consent of Elsevier, which consent will not unreasonably be withheld.

8.6 *Privacy.*

To the extent that the Subscriber provides to Elsevier any access to “education records” subject to the Family Educational Rights and Privacy Act, 20 U.S.C. 1232g et seq., and its implementing regulations (“FERPA”), Elsevier will be designated as a “school official” with “legitimate educational interests” in using such “education records,” as those terms are defined under FERPA, and will comply with its obligations under FERPA. Elsevier will not, without the prior written consent of the Subscriber, use any personal data of any Authorized Users received from the Subscriber under this Agreement for any purpose other than as described in this Agreement or transfer such information to any non-affiliated third party, except (i) to applicable service providers to the extent necessary to perform their functions for Elsevier in support of this Agreement; (ii) where reasonably necessary to address security, safety, fraud or other legal issues; and (iii) if the Subscribed Products are acquired by another company. To the extent that Authorized Users provide any personal data to Elsevier during account registration or otherwise, the Subscriber acknowledges that such information will be collected, used, and disclosed by Elsevier in accordance with the Elsevier privacy policy applicable to the Subscribed Products and subject to applicable privacy and data protection laws and regulations.

8.7 *Notices.*

All notices given pursuant to this Agreement will be in writing and delivered to the party to whom such notice is directed at the address specified below or the electronic mail address as such party will have designated by notice hereunder.

If to Elsevier: Elsevier B.V. c/o Regional Sales Office, Elsevier Inc., 230 Park Avenue, Suite 800, New York, NY 10169, USA.

If to the Subscriber: 910 W Franklin St, Richmond, VA 23284, with a copy to 901 Park Avenue, Richmond, VA 23284-2033

8.8 *Compliance with Laws.*

Each party will comply with all applicable laws and regulations relating to its duties and obligations under this Agreement. Elsevier reserves the right to deny access to the Subscribed Products to any person or entity who is prohibited from receiving such access based on any applicable export control and trade sanctions laws or embargo programs.

During the performance of this Agreement the following two provisions apply: (1) Elsevier will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of Elsevier. Elsevier agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause. Elsevier, in all solicitations or advertisements for employees placed by or on behalf of Elsevier, will state that Elsevier is an equal opportunity employer; and (2) Elsevier agrees to (a) provide a drug-free workplace for Elsevier’s employees; (b) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in Elsevier’s

workplace and specifying the actions that will be taken against employees for violations of such prohibition; (c) state in all solicitations or advertisements for employees placed by or on behalf of Elsevier that Elsevier maintains a drug-free workplace; and (d) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

8.9 *Standard Registration.*

As a registered vendor in eVA and RealSource, Elsevier is responsible for the security of its portal account, including restricting access to it, maintaining the confidentiality of login information, and taking any other actions necessary to protect the security of its account. Subscriber will not be responsible for a third party's fraudulent collection of Subscriber's payments due to Elsevier's failure to update or protect its account information. Elsevier certifies that it will remain registered in eVA and RealSource during the Term of this Agreement.

8.10 *Governing Law.*

This Agreement shall be construed, governed, and interpreted pursuant to the laws of the Commonwealth of Virginia without regard to choice of law principles. To the extent any provision of the Agreement is prohibited by Virginia law, or is otherwise not authorized by Virginia law due to Subscriber's status as an agency of the Commonwealth of Virginia, such provision is null, void, and unenforceable. Subscriber does not waive any rights, claims, remedies, or defenses it may have under Virginia law as an agency of the Commonwealth of Virginia. All disputes arising under this Agreement shall be brought before a court of competent jurisdiction located in Richmond, Virginia. Subscriber does not waive its right to a trial by jury.

8.11 *Execution.*

This Agreement and any amendment thereto may be executed in counterparts, and signatures exchanged by facsimile or other electronic means are effective to the same extent as original signatures.

IN WITNESS WHEREOF, the parties have executed this Agreement by their respective, duly authorized representatives as of the date last written below.
