Policy Type: Local – Board of Visitors

Initial Policy Approved: 09/18/2015  
Current Policy Approved: 05/13/2022

Policy Statement and Purpose

In accordance with the Virginia Freedom of Information Act (FOIA), Virginia Code § 2.2-3700, et. seq., the Board of Visitors (“the Board”) has established a written policy allowing for and governing participation of its members in meetings by electronic communication means in the event of (a) a personal matter, or (b) a temporary or permanent disability or other medical condition that prevents the member's physical attendance or (c) a family member’s medical condition that requires the member to provide care for such family member, thereby preventing the member's physical attendance.

This policy shall apply, strictly and uniformly, to the entire membership and without regard to the identity of the individual member requesting remote participation or to the matters slated for consideration or vote at the meeting.

Participation by an individual member from a remote location is authorized only when a quorum of the Board or committee is physically assembled at the primary meeting location and the voice of the remote participant is able to be heard by all persons at the primary meeting location. The fact of the disability or other medical condition that prevented physical attendance, or the fact of a family member’s medical condition requires the member to provide care for such family member prevented physical attendance, or the specific nature of the personal matter and the remote location from which the member participates will be recorded in the meeting minutes.

Individual participation from a remote location shall be approved unless such participation would violate this policy or FOIA. If such participation from a remote location would violate this policy or FOIA, such disapproval will be recorded in the Board minutes with specificity.

When individual remote participation is due to a personal matter, such participation is
limited each calendar year to two meetings or 25 percent of the meetings held per calendar year rounded up to the next whole number, whichever is greater.

For public transparency real-time electronic access to such meetings will be posted on the Board website with the agenda.

This policy applies to all committees and subcommittees of the Board.

**Quorum**

A term used to describe the minimum number of members of the Board that must be present at any of its meetings to make the proceedings of that meeting valid. Contacts
The Office of the President officially interprets this policy. Please direct policy questions to the Board liaison in the Office of the President.

Procedures
The Board member needing to participate from a remote location must notify either the Rector or Committee Chair as the case may be, without unreasonable delay on or before the day of a meeting, that such member is unable to attend the meeting at the primary meeting location due to (i) a temporary or permanent disability or other medical condition that prevents the member’s physical attendance; (ii) a family member’s medical condition that requires the member to provide care for such family member, thereby preventing the member’s physical attendance or (iii) a personal matter, identifying with specificity the nature of the personal matter.

The Board shall approve participation from a remote location unless such participation would violate this policy or FOIA. Board disapproval of participation from a remote location shall be recorded in the Board minutes with the specific rationale for such disapproval. The Board minutes shall include the address of the remote location from which the Board member participated along with the fact that the Board member participated remotely due to (i) a temporary or permanent disability or other medical condition that prevents the member’s physical attendance; (ii) a family member’s medical condition that requires the member to provide care for such family member, thereby preventing the member’s physical attendance, or (iii) due to a personal matter along with the specific nature of the personal matter cited by the Board member.

The Board will arrange for the voice of the remote participant to be heard by all persons at the primary meeting location.
