**Policy Type:** Local – Board of Visitors

**Responsible Office:** Office of the President

**Initial Policy Approved:** 09/18/2015

**Current Revision Approved:** March 23, 2023

## **Policy Statement and Purpose**

---

In accordance with the Virginia Freedom of Information Act (FOIA), Virginia Code § 2.2-3700, et. seq., the Board of Visitors (“the Board”) has established a written policy allowing for and governing all-virtual meetings as necessary and in compliance with FOIA and participation of its members in meetings by electronic communication means in the event of (a) a personal matter, or (b) a temporary or permanent disability or other medical condition that prevents the member's physical attendance, or (c) a family member's medical condition that requires the member to provide care for such family member, thereby preventing the member's physical attendance, or (d) the member's principal residence is more than 60 miles from the meeting location identified in the required notice for such meeting.

This policy shall apply, strictly and uniformly, to the entire membership and without regard to the identity of the individual member requesting remote participation or to the matters slated for consideration or vote at the meeting.

Participation by an individual member from a remote location is authorized only when a quorum of the Board or committee is physically assembled at the primary meeting location and the voice of the remote participant is able to be heard by all persons at the primary meeting location. The fact of the disability or other medical condition that prevented physical attendance, or the fact of a family member's medical condition requires the member to provide care for such family member prevented physical attendance, or the fact that the distance between the member's principal residence and the meeting location is more than 60 miles, or the specific nature of the personal matter and the remote location from which the member participates will be recorded in the meeting minutes.

Individual participation from a remote location shall be approved unless such participation

would violate this policy or FOIA. If such participation from a remote location would violate this policy or FOIA, such disapproval will be recorded in the Board minutes with specificity.

When individual remote participation is due to a personal matter, such participation is limited each calendar year to two meetings or 25 percent of the meetings held per calendar year rounded up to the next whole number, whichever is greater.

For public transparency real-time electronic access to such meetings will be posted on the Board website with the agenda.

All-virtual meetings must follow the procedures as set forth in this policy.

This policy applies to all committees and subcommittees of the Board.
