CALL TO ORDER
Mr. H. Benson Dendy III, Rector called the meeting to order at 8:47 a.m. in the James Cabell Library, 901 Park Avenue, Richmond, Virginia. The meeting was available to staff virtually and the public was able to view the open session of the meeting via livestream at https://mssvideo.vcu.edu/BOV.

Mr. Dendy acknowledged his predecessor, Keith Parker, and welcomed Andy Florance to the Board of Visitors. He addressed that as a board that is focused on diversity, inclusion and equity, the board and university are proud that few R-1 universities, major public research universities, are as diverse as VCU. VCU is starting off this academic year with a student population that is as racially and ethnically diverse as VCU has ever had. Diversity is at the core of VCU’s mission and is among the greatest assets. VCU’s 4 and 6-year graduation rates consistently exceed national averages for four-year public institutions and VCU’s rates for traditionally underserved students are exceptional. VCU is closing the graduation gap for underrepresented minority students and for those from lower socioeconomic backgrounds. The Board is focused on student success measures. He raised that 100 percent of board members historically have contributed financially to VCU and that he expects that this board will continue this important tradition and encouraged members to be engaged in the university’s development efforts.

He ended by stating all aspects of furthering diversity, equity and inclusion at VCU are a priority for the upcoming year, and it will be the primary topic of the BOV Retreat.

PUBLIC COMMENT PERIOD
Ms. Chelsea Gray, Assistant Secretary and Board Liaison, reminded the Board that written comments were to be received prior to the meeting via an online portal and that no responses were received. She then reminded the Board that there would be a public comment session at this meeting and that in accordance with the published procedures for public comment, the Board did not receive any requests.

APPROVAL OF MINUTES
Rector Dendy asked for a motion to approve the minutes of the May 14, 2021 Board of Visitors meeting. After motion duly made and seconded the minutes of the May 14, 2021 meeting were unanimously approved.

A copy of the minutes can be found on the VCU website at the following webpage https://president.vcu.edu/board/minutes/.

PRESIDENT’S REPORT
President Rao began his report by thanking the Rector and entire board for their support during the most challenging time in VCU’s history. He welcomed Andy Florance as well as Provost Fotis Sotiropoulos to their first board meetings in their roles.

President Rao mentioned that he has never felt an energy like this year. While we are learning to live with COVID, VCU Health is dealing with a 4th wave of COVID. VCU’s heart goes out to
those suffering with severe disease and we are forever grateful to the health care team members who continue to give their all to serve humanity.

In looking at vaccine requirements the vast majority of students and team members are complying. He asked Dr. Meredith Weiss, Vice President of Administration, and Dr. Art Kellermann, Senior Vice President for Health Sciences and CEO of the Health System, to speak to this. They acknowledged that everyone is doing their part and VCU is doing extremely well.

President Rao continued to provide an updated report on student experience and fraternities and sororities. The comprehensive review of fraternity and sorority life were made public in early August. VCU is committed to making changes happen to improve safety, oversight and accountability of fraternity and sorority organizations. VCU has made a strong start in addressing the issues identified. He will update the board no later than December 1 on the progress.

Ahead of the meeting the board received information on the University’s 6-year plan strategy for Fiscal Years 2023-2024 which includes the budget requests and highlights VCU’s unique mission and related challenges. This plan is required by law. The plan indicates tuition rate growth and requests for the following: funding to increase faculty salaries (historically underfunded at VCU), need-based financial aid and funding for military waivers, more funding for Massey Cancer Center, support for the Wilder School Research Institute for Social Equity, funding for the public health initiative. The plan also requests state support to address structural state funding inequity. Ms. Karol Kain Gray, Senior Vice President and CFO, spoke to this and reiterated the president’s remarks and emphasized the importance.

On a motion duly made and seconded the 2021 Six-Year Plan Resolution was approved and adopted unanimously. A copy of the resolution is attached hereto as Attachment A.

President Rao concluded his remarks with congratulating Vice President Tomikia LeGrande for being named a recipient of the Governor’s Honor Awards as a champion of change for innovation in programs and services that has led VCU to outperform other Tier 3 higher education peers in graduation rates of low income students.

CONSTITUENT REPORTS
The student representatives, Jordan Matamoro-Mejias and Anne Skelton, faculty representative, Nancy Jallo, and staff representative, Gregory Kimbrell, all spoke about initiatives that are taking place around campus.

A copy of each presentation is attached hereto as Attachment B.

ATHLETICS REPORT
Mr. Ed McLaughlin, Vice President and Director of Athletics, reported on the athletic successes at VCU. The average Fall 2020 GPA was 3.33 and Spring 2021 it was 3.35. The academic progress rates and graduate success rates have inclined since 2017. He highlighted the competitive successes VCU athletics have had in the last year, stressed the importance of diversity, equity and inclusion in athletics, and financial and compliance successes. Mr.
McLaughlin addressed some of the future challenges including facilities, finances, NCAA legislation, and development.

A copy of Mr. Ed McLaughlin presentation is attached hereto as Attachment C.

**VCU BRAND**
Mr. Dendy then turned to Mr. Grant Heston, Vice President for University Relations, to begin his presentation. Mr. Heston’s presentation focused on national prominence and where VCU is going with the brand. He focused on storytelling and organizational structure with ONE VCU. He emphasized VCU’s commitment diversity, equity and inclusion and excellence and how it is all part of the brand.

A copy of the presentation is attached hereto as Attachment D and is made a part hereof.

**2022-2023 BOARD OF VISITORS MEETING SCHEDULE & COMMITTEES**
Mr. Dendy began to discuss the upcoming 2022-2023 schedule and the committee structure. The board currently meets for one day beginning with committees in the morning and the full board in the afternoon. The board engaged in a discussion if members would prefer having all committee meetings on Thursday and a half day for the full board on Fridays ending by noon.

Mr. Dendy also brought to attention the current committee structures and proposed that the board consider restructuring the committees keeping Audit, Athletics, Academic and Health Affairs as is. The Administration Committee would be new committee where the CFO and Vice President of Administration would be discussing facilities planning, design, construction and renovation, purchase and divesture of land, including any easements, and staff affairs. Finance, Budget and Investment would change to Finance and Resources where the CFO, VPs for Government Relations, and VP of Development and Alumni Relations would present on University finances and investments, university policies on debt management, government relations relating to activities and finances, and fundraising. The University Resources committee would be dissolved.

The board engaged in discussion on both topics and agreed that this topic would be discussed further at the Retreat on October 29.

**CLOSED SESSION**
Rector Dendy moved that the Board of Visitors of Virginia Commonwealth University convene a closed session under Section 2.2-3711(A)(1) of the Virginia Freedom of Information Act for discussion of personnel matters, more specifically relating to the performance evaluation of the President and presidential performance goals and priorities; and faculty tenure appointments, changes in status; and the evaluation of performance of certain departments of Virginia Commonwealth University, which will necessarily involve discussion of the performance of specific individuals relating to student matters; and under Section 2.2-3711(A)(2) for the discussion of matters that would involve the disclosure of information contained in scholastic records of students, more specifically relating to pending or potential investigations relating to student matters at the university; and under Section 2.2-3711(A)(3) for the discussion or
consideration of the acquisition of real property for a public purpose, or of the disposition of publicly held real property, where discussion in an open meeting would adversely affect the bargaining position or negotiating strategy of the public body, specifically related to real property to be used for Intercollegiate Athletics; and under Section 2.2-3711 (A)(7) and (8), for consultation with legal counsel pertaining to specific legal matters requiring legal advice by counsel and actual or probable litigation, where such consultation of briefing in open meeting would adversely affect the negotiating or litigating posture of the university, namely a survey of and status report on the university’s positions in potential and current litigation in state and federal courts and other legal matters relating to pending investigations, student matters, employee matters, and university policies; and under Section 2.2-3711 (A)(9) for the discussion of gifts, bequests, and fund-raising activities of the University, namely the Named Funds Report, the Approved Named Funds under $50,000 Report, and other notable and significant gifts Report; under Section 2.2-3711 (A)(19) for discussion of specific cybersecurity vulnerabilities and briefing by staff concerning actions taken to respond to such matters, specifically relating to data security and certain IT processes; and under Section 2.2-3711 (A)(23) for the discussion of VCUH Health System operational strategies where disclosures of such strategies would adversely impact the competitive position of the Authority, including VCU Health System Strategic Financial Report. After motion duly made and seconded the motion was unanimously approved.

Rector Dendy then asked that the public exit the room.

RECONVENED SESSION
Following the closed session, the public was invited to return to the meeting. Rector Dendy called the meeting to order. On a motion duly made and seconded the following resolution of certification was approved by a roll call vote:

CLOSED SESSION ACTION ITEMS
Mr. Dendy mentioned to the board that he plans to make one motion to approve all matters discussed in closed session together unless anyone opposed. Rector Dendy moved that the Board of Visitors of Virginia Commonwealth University approve the following actions as presented in closed session:

1. The Faculty Tenure appointments, changes in status and tenure recommendations.

2. The funds Named Funds and Spaces Report and the Approved Named Funds under $50,000.

The motion was seconded and was approved unanimously. Mr. Edward McCoy and Mr. Keith Parker were not present.

AUDIT, INTEGRITY & COMPLIANCE REPORT
Dr. Talegaonkar, Chair of the Audit, Integrity and Compliance Committee, reported that the Committee heard from the Executive Director who provided an update on previously unresolved findings reported in the fiscal year 2020 annual follow-up report. She also presented the fiscal year 2021 annual follow-up report, which included one board level and four management level past due corrective action plans. The Executive Director shared the results of two audit reports involving outside professional activities and the RealSource purchasing system, as well as an overview of the annual Integrity and Compliance Services report. The annual report noted a favorable decline in the number of reported misconduct concerns (likely due to the remote work conditions last year), a favorable decline in the number of high severity concerns, and a continued favorable substantiation rate. Although VCU favorably tracks below industry average for individuals wishing to remain anonymous when reporting a concern, VCU’s percentage did increase slightly.

Finally, the Chief Technology Officer updated the committee on VCU’s Information Technology services and noted that phishing continues to be a primary security threat. He also offered a description of VCU’s posture regarding ransomware attacks. The committee reviewed and discussed two action items including the review and approval of the Audit, Integrity and Compliance Committee Charter and companion Meeting Planner; and the Audit and Compliance Services Department Charter.
Dr. Talegaonkar then moved on behalf of the Audit, Integrity and Compliance Committee that the Board approve the action items presented. The motion was seconded and was approved unanimously. Mr. Edward McCoy and Mr. Keith Parker were not present.

The Audit, Integrity and Compliance Committee Charter and companion Meeting Planner and the Audit and Compliance Services Department Charter are attached hereto as Attachment D and is made a part hereof.

**ACADEMIC & HEALTH AFFAIRS REPORT**
Dr. Gopinath Jadhav, Co-Chair of the Academic and Health Affairs Committee, reported that the Provost and Senior Vice President for Academic Affairs Fotis Sotiropoulos provided his first report to the committee which included his initial impressions of VCU, as well as his leadership philosophy and an overview of his vision for the future.

Dr. Tomikia LeGrande, vice president for strategy, enrollment management and student success, provided a preliminary overview of fall enrollment, the fall 2021 student experience and priorities moving forward for enrollment and student success.

Dr. Art Kellermann, senior vice president for health sciences and CEO VCU Health, provided an update on the current status of a new School of Public Health. Current plans are to bring the final proposal to the committee for approval in December.

Dr. Jadhav then moved on behalf of the Academic and Health Affairs Committee that the Board approve the committee’s charter and meeting planner that was approved by the committee for recommendation to the full board. The motion was seconded and was approved unanimously. Mr. Edward McCoy and Mr. Keith Parker were not present.

These items are attached hereto as Attachment F and is made a part hereof.

**FINANCE, BUDGET & INVESTMENT REPORT**
Mr. Stuart Siegel, Chair of the Finance, Budget and Investment Committee, reported that the committee is recommending the approval of this year’s changes to the Committee’s Charter and Planner, the Increase in Designation of the Quasi Endowment Resolution, and the Amendment to the 2020-2026 Six Year Capital Outlay Plan. This increase in designation of the Quasi Endowment increases cash balances and generates additional investment income for strategic use and also adjusts the short term and long term tier allocations. The board previously authorized $90 million in December 2016. The quasi endowment is managed by VCIMCO in accordance with the board’s investment policy. The Amendment to the Six Year Capital Outlay Plan would add a maintenance reserve project for renovations of Founders Hall (historic structure at 827 West Franklin Street) at a cost not-to-exceed $3.2 million for necessary repairs due to water intrusion issues and masonry exterior damage.

Mr. Siegel then moved on behalf of the Finances, Budget and Investment Committee that the Board approve the action items presented. The motion was seconded and was approved unanimously. Mr. Edward McCoy and Mr. Keith Parker were not present.
The Committee’s Charter and Planner, the Increase in Designation of the Quasi Endowment Resolution, and the Amendment to the 2020-2026 Six Year Capital Outlay Plan are attached hereto as Attachment G and is made a part hereof.

UNIVERSITY RESOURCES REPORT
Rev. Tyrone Nelson, Chair of the University Resources Committee, reported on the updates Government Relations provided including the latest development between VCU and the City of Richmond and surrounding counties. Mr. Heston proposed and discussed with the committee the strategic measures to regularly share with the Board that will track the health and performance of the VCU Brand. The committee was presented numbers for the Invest in Me Campaign and provided an update on our Alumni Council as well as Athletics Village fundraising initiatives.

There were no action items.

ADJOURNMENT

Summer Initiatives

Over the summer, faculty – regardless of a 9- or 12-month contract-were committed to continued support our purpose – to help create, maintain and protect a University environment conducive to growth of scholarship, creativity, learning, teaching, research, service and respect for human dignity and rights. To that end, Faculty Senate was busy this summer with several initiatives.

At the end of the Spring semester the Faculty Senate was asked to provide a voice on the adjunct faculty concerns to include pay, benefits, and unit policies. Over the summer we worked and collaborated with Provost Hackett and Senior Vice Provost for Faculty Affairs Gypsy Denzine to follow-up to the adjunct report that was presented and shared in May. The proposal included a potential new faculty employment category for the 2021-2022 academic year. While the final proposal for the employment category was less than ideal, faculty voice did lead to an implementation of a course cancellation fee, an increase in salary, and support to increase the number of term positions. The faculty gratefully acknowledge the time and work that went into this initiative.

As return to campus plans were being decided, faculty participated via discussions with the Provost’s office and the COVID-19 task force. For example, faculty provided input on topics such as vaccination requirements, student policies, safety measures, and faculty transition to on-campus work.

The third summer initiative was welcoming the new provost. Changing academic leadership has the potential to be a risky business but our conversations with Provost Sotiropoulos reflect the shared vision of collaboration, transparency, and faculty voice to address problems and decisions. These are the elements of shared governance. We are confident this transition will be a positive experience for faculty and students.

Academic Year 2021-2022 Initiatives

This academic year will continue to bring challenges and opportunities related to continued COVID-19 issues, financial implications, enrollment, faculty issues, as well as innovation. With this lens, the Faculty Senate Leadership developed for following 2021-2022 goals.

1) Continue to work on establishing what shared governance is with Provost Sotiropoulos
2) Continue to work on alignment of the faculty annual evaluation/review process across the university to have consistency, the use of the appeal process for the faculty annual evaluation/review process and how this process aligns with the work that the P&T Task Force is doing.
3) Gather information about how deans and other administrators are evaluated across the units and advocate for consistency across units.
We continue to do this work through collaborations; relationship building; thoughtful discussions; providing best practices, such as faculty development and evaluations; participation in multiple university committees; and on-going conversations with all faculty.

On a final note, we want to give a special thank you to Scott Street who has just finished serving his term as Faculty Senate Past President. During his six years of service as Faculty Senate Vice-President, President, and Past President, he demonstrated extraordinary leadership. Scott Street has navigated us all through hazards and often difficult choices and has always provided us with a clarity of direction, ability to build trust, and shown us the right direction. Scott remains a vital part of Faculty Senate as Chair of the Credentials and Rules committee. In addition, he continues to provide leadership in numerous university committees.

On behalf of Valerie Robnolt and myself, we thank the Board for their time receiving our report.

Faculty Senate President and Alternate Faculty Representative to the Board of Visitors
The Staff Senate has been active throughout the summer. The executive team has participated in a variety of committees related to COVID-19 policy and offered feedback on telework and vaccination policies. The senate has also completed its first university-wide elections for new members. The purpose was twofold: 1) to promote senate membership among all areas of the university and attract new members and 2) to increase representation from previously underrepresented areas and thus be better positioned to serve the entire university community. The result: The senate is the largest it has ever been at nearly 70 members, and most areas of the university are now represented. Some seats are still available and will be filled on a volunteer basis, as individuals approach the senate with interest. The next university-wide election will be held in three years, in summer 2024.

The senate will continue to meet virtually through the end of the 2021-22 academic year out of an interest in making meetings maximally accessible for members across both campuses and at satellite locations. Throughout the pandemic, virtual meeting attendance has been strong.

Committee Updates

- **Accessibility and Inclusion Working Group:** This committee will continue to support initiatives from the ADA Office and advocate for increasing university support of the office.

- **Awards and Recognition Committee:** This committee will again partner with campus and area vendors on an Employee Appreciation Month in March to offer employees discounts, etc. Also in the spring, the committee will organize the annual Staff Senate Awards for Excellence in the categories of new employee, customer service, integrity, staff advocacy, champion of diversity and inclusion, and career achievement.

- **Career Development Committee:** This committee will once again partner with VCU Human Resources to host a Career Development Conference in the spring. This year, the conference will return to its pre-pandemic single-day format with a variety of sessions based on input from senators. Scheduled for March 10, when students are on spring break, the conference will be hybrid, offering staff the option of attending in person or online, and video recordings will be made available afterward.

- **Shared Governance Committee:** With the conclusion of the elections, this committee will shift its focus to other projects such as reviewing and revising the Staff Senate bylaws.

- **VCU Health Committee:** This committee has been meeting with Laura Ritchie, Director of the HR Strategic Partnership for the Health System, to find ways of becoming involved in decision-making that impacts staff and to enhance transparency, communication, and collaboration.

Standards of Practice

The department will conduct its scope of work in accordance with requirements and best practices as established by relevant authoritative and objective sources from industry and government.

For internal audit functions, this includes both mandatory and recommended guidance from the Institute of Internal Auditors International Professional Practices Framework. The mandatory guidance requires our department to conform with the Core Principles for the Professional Practice of Internal Auditing, Definition of Internal Auditing, Code of Ethics, and International Standards for the Professional Practice of Internal Auditing (Standards). Internal auditing is an independent, objective assurance, and consulting activity designed to add value and improve an organization’s operations. Our department will help the university and health system accomplish its objectives by bringing a systematic, disciplined, and risk-based approach to evaluate and improve the effectiveness of risk management, control, and governance processes.

For maintaining effective compliance programs, standards of practice are driven by the guidance provided in Chapter 8 of the Federal Sentencing Guidelines as promulgated by the US Sentencing Commission. The main focus of an effective program is to prevent and detect misconduct, remedy harm when identified, self-report where applicable, and maintain due diligence in promoting an organizational culture that encourages ethical conduct and a commitment to compliance with the law.

For the health system compliance program, guidance by the Health Care Compliance Association is also included. This organization sets the standard for professional values and ethics in the health care compliance field.

Quality Assurance and Improvement Program

The department will maintain a quality assurance and improvement program that covers all aspects of the internal audit activity. This program will be designed to:

- evaluate internal audit’s conformance with the Standards and application of the Code of Ethics;
- assess the efficiency and effectiveness of the department; and
- identify opportunities for improvement.

The quality program includes both internal and external assessments. Internal assessments will include ongoing monitoring and periodic assessments of internal audit activity. An external assessment will be performed at least once every five years by qualified individuals who are independent of the internal audit function.

RESOLUTION OF THE BOARD OF VISITORS OF
VIRGINIA COMMONWEALTH UNIVERSITY

APPROVAL OF DESIGNATION OF FUNDS AS QUASI-ENDOWMENT

WHEREAS, on December 9, 2016, the Board approved the designation of $90 million of the University’s Non-General Fund Reserves and Balances to be treated as endowment and invested in long term investment vehicles;

WHEREAS, pursuant to the VCU Investment Policy, the Office of the Senior Vice President and CFO must perform ongoing analysis and monitoring to recommend to the Board a prudent split between the Short-Term and Long-Term investments; and

WHEREAS, the Office of the Senior Vice President and CFO has completed such analysis and the Senior Vice President and Chief Financial Officer has recommended certain modifications regarding the University’s Long-Term investments, and the Board now desires to designate certain funds to be treated as endowment for long-term investment.

NOW, THEREFORE BE IT RESOLVED BY THE BOARD OF VISITORS OF VIRGINIA COMMONWEALTH UNIVERSITY:

1. The Board hereby designates up to an additional $20 million of the University’s Non-Public Fund Reserves and Balances to be treated as endowment (“quasi-endowment”) and invested in long-term investment vehicles.

2. This Resolution shall take effect immediately upon its adoption, provided that investment actions shall be consistent with existing investment advisor and manager contracts and consistent with the VCU Investment Policy.
Virginia Commonwealth University
Amendment to the 2020-2026 Six-Year Capital Plan
Founders Hall, 827 West Franklin Street

Background

Founders Hall is located within the Historic Franklin Street District and houses several units of the College of Humanities and Sciences. The building is experiencing significant water intrusion issues and requires repairs that include replacement of the roof as well as repairs to windows and the deteriorated masonry exterior.

Considerations

The repairs needed in Founders Hall meet the criteria for use of maintenance reserve funds. The Commonwealth of Virginia limits the use of state-appropriated maintenance reserve funds to $2M or less, but provides an exception to the $2M limit on a case-by-case basis. The university requested and is waiting for approval of an exception for the Founders Hall project based on the $3.2M estimated cost of work. Projects exceeding $2M also require approval from VCU’s Board of Visitors.

Cost and funding source

The estimated cost of the project is $3.2M. Maintenance reserve funds will be used.

Recommendation

Approve amendment of the university’s 2020-2026 Six-Year Capital Plan to undertake major repairs to Founders Hall using maintenance reserve funds at a cost not to exceed $3.2M.
